- Having watched their Google Drive videos and thought about their leadership abilities, *not just whether they're my friend*, you may begin to vote.
- 10 = the best suited for leadership! NOT like a ranking where 1 is the top.
 - 10 spots to vote people. Yes, there are more than 10 applicants.

REMINDERS

- Elect people who you can envision being effective leaders. They should be dedicated, hardworking, welcoming, responsible, etc... (not just funny or nice to you specifically)
- Keep these votes confidential!
- There is not a way for us to hold you accountable for watching the videos before voting. Please practice academic integrity and vote in your own interest by watching the videos to find out what each member would bring to your Exec Board.
- Your votes are kept confidential. They will only be viewed by seniors on Exec Board and Miss B (to be added up), and never shared.
- You may vote for yourself.
- You may not vote multiple times.
- Your name is eligible under the subgroup that you responded to the application form saying you had interest in leading.

Example: Taylor is only listed on the Exec ballot but not the Comedy Sportz ballot.
