The **Top 5 Nominees** should be out this weekend, it tells us who the 5 best were in every category for Play, Musical & Team. We'll have a celebration together when released. If we make Top 5 Show or Top 5 Song we perform at the Gala.

History of the Macys -

MACYs is an national musical theatre adjudication program in which students perform high school theatre for accolades and recognition.

The top male and female performer from OC earn an opportunity to attend a week long workshop in NYC through the National High School Musical Theatre Awards, culminating with a performance at the Jimmys.

Orange County has a local awards ceremony where roles from the ensemble through the director are nominated. The ceremony highlights ten performances from local schools and alumni emcee and trophy distributors.

Although UNI hasn't been asked to perform this year, we will still attend and likely win awards for our work!
