- Having watched their videos and thought about their leadership abilities, not just whether they're my friend, you may begin to vote.
- 10 = the best suited for leadership!  
NOT like a ranking where 1 is the top.
  - 10 spots to vote people. Yes, there are more than 10 applicants.

# STRATEGY

# REMINDERS

- Elect people who you can envision being effective leaders. They should be dedicated, hardworking, welcoming, responsible, etc... (not just your friends!)
- Keep these votes **confidential**!
- ^and, your votes are kept **confidential**. They will only be viewed by **seniors** on Exec Board and Miss B (only to be added up), and never shared.
- You may vote for yourself.
- You may not vote multiple times.
- Your name is eligible under the subgroup that you responded to the application form saying you had interest in leading. Example: Lucas is only listed on the Exec ballot but not the Comedy Sportz ballot.
